affords a chesp and

hours, equal to the light from six ordinary wick tubes. The burner can be readily applied to all styles of solar, lard or coal oil, camphene or ordinary burning fluid lamps. Also to chandeliers or in whatever form a good light may be desired, at a small expense. Old Lamps will be taxen in exchange for new ones, or alterations made if desired. It is also admirably adapted to the lighting of Churches, Lecture Rooms, Halls, Stores, &c.; and the fixtures you have can be changed without the expense of purchasing new ones.

For sale at the Drug Store of Dr. W. STEWART, No. 22 Main street, and also by A. W. RICE, corner of Jefferson and Third streets, septs

O. F. MORRILL, Patentee, Boston. THIS IRON IS HEATED WITH AN AL-THIS IRON IS HEATED WITH AN ALcohol Lamp, which is attached to it with a
apring, which can be put on and taken off with
pleasure. It takes but it is minutes to put the iron in
readiness for work, and it will remain so as long as
it is required. The heat may be regulated as desired. The irons are of the usual weights, and the
lamp is no incumbrance, and it is warranted not to
soil the clothes. The heating fluid will cost about
2 cents per hour.

The feli-heating iron is certainly one of the
greatest inventions of the age, and the laddes will
thank the investor for his sail in saving them a
roasting over a stove; and those who buy the fuel
will look upon him as a benefactor of the pecket.

These smoothing irons may be had at the Shoe
Store of L. BUVINGER, Third street, near the
Xenia Bepot, or at the residence of the Agent, 55
Fast Third street.
